

SHOW STEER & HEIFER SALE

28.03.2021

ILAM

# Welcome

The Goetsch and Sowden families hold a long standing friendship and it is with great pleasure that we come together to bring you the 2<sup>nd</sup> Annual -  
"Combined Forces Show Steer & Heifer Sale 2021"

Having a lifetime's experience within the cattle industry, the Goetsch and Sowden families have been major players in the led steer game for decades and lay claim to winning major led steer titles on several occasions over many years at Local and Royal Show level. Our shared passion for producing and preparing led steers and heifers has brought us to the decision to offer what we believe are the cream of the crop of this year's calves to enable everyone the opportunity to purchase these outstanding calves on a level playing field.

All calves on offer have been vaccinated with minimum of 5 in 1, drenched and have all been well handled and have had access to a creep feeder. Calves can be taken straight home with the knowledge that they know what grain is to minimise the stress. The younger calves of the offering are being viewed and sold on sale day on their mothers and will be weaned on the day of purchase. Please be considerate of this when taking your calves home as a time of adjustment will be required and penned with some mates upon arriving home and not left by themselves.

There is a mixed offering of pure Limousin, Limousin cross and Speckle Park cross calves. Some of these will be eligible for Sydney 2022 and of course will make excellent lightweight calves for this year's Brisbane Ekka 2021 or Heavyweight Steers for 2022.

Unfortunately due to the dry weather in 2019 a number of calves were born late and therefore we are willing to take them home to grow them out a little more if required and agreed upon with the vendors. Collection of these returned calves is to be made by mid May 2021 by the purchaser in consultation with the vendors.

Prior inspections on property are recommended and advised prior to sale day. All sale cattle will be cleared and ready for transport to clean country.

Cattle can be viewed on sale day from 8am at the Kalbar Showgrounds and please join us prior to the sale for nibbles and light refreshments.
