INTRODUCTION

This is a unique opportunity to enter the FarmFest Livestock Competitions - to benchmark your beef against the best for your chance to take home prizes of cash, ribbons and trophies in one of Queensland's biggest cattle competitions.

The FarmFest field day organisers, ACM Rural Events, in conjunction with Neil Goetch are pleased to announce the staging of the popular FarmFest Led Steer and Heifer competition, and with organising support from John McCarthy, the famous Battle of the Bulls and Fantastic Females.

We look forward to receiving your entry in the FarmFest Livestock Competitions.

PAYMENT

PAYMENT IS REQUIRED UPON ARRIVAL

Payment is due on submission of your competition entry forms at the Livestock office upon arrival to the FarmFest site. You are able to pay via Cash, EFTPOS or Cheque. *Cheques are to be made payable to Rural Press Limited.*

BIOSECURITY

Queensland's biosecurity livestock movement requirements are to prevent the spread of pests and diseases, and safeguard your business, our food and markets. Procedures and facilities are in place to ensure livestock can be identified and movements traced, ensure livestock are free of certain pests and diseases including cattle ticks and Johne's Disease, prevent chemical residues in stock and products, ensure animals are well cared for during transportation.

INTERSTATE TRAVEL

A certificate of health to bring livestock into Queensland is no longer needed, instead, owners must ensure that they understand and have met all requirements for moving livestock within Queensland. People introducing livestock into Queensland should seek a written assurance about the health status of the animals to be introduced.

FIELD SERVICES

ACCOMMODATION

Camping accommodation is available for Livestock exhibitors and competitors only. If you require accommodation in the FarmFest Livestock Area you will be required to apply - there are a limited number of camp sites available working under COVID compliance. When completing your Livestock Competition entry form you will be requested to nominate if you require camping accommodation - if yes, you will later receive a link to complete the Accommodation online registration form and submit. Once you receive confirmation, please call in to the Livestock Area office upon arrival at the site to receive your allocated campsite number in the Northern or Southern Camping areas. You will be unable to set-up until you receive your number and camping site map. Please indicate if you have a requirement for a powered or un-powered site, fees apply. No campfires or BBQs are permitted in camping areas. There will be a community fire which will be managed by one of our campers for all to enjoy and be safe.

CAR PARKS

All vehicles must be removed from the Livestock Area before 8.00am each morning, before commencement of the event at 8:30am. New car parks have been created and marked to provide space for trucks, goose necks, motor vehicles on the outer perimeter of the Livestock Area. All COVID safety and traffic safety signage and instruction from the organisers must be obeyed. We appreciate your co-operation and understanding of the importance to adhere to new vehicle compliance - with no vehicular movement permitted in and around the Livestock Area during public opening times.

LIVESTOCK OFFICE

The Livestock Office is located on the southern side of the Livestock Arena. It is open from Sunday 4 June 2023 to Friday 9 June 2023 from 9am to 5pm daily.

LOADING RAMP

A permanent loading ramp is available upon entry into the Livestock Area on the northern side of the field. To ensure safety and compliance, all livestock exhibitors and competitors will be required to have a stock handler spotter working with them at all times during the unloading and on-loading of livestock on to trucks from the loading bay.

PORTABLE LOADING RAMPS

Portable Loading Ramps are available to unload "unled" cattle onto sites for display. These must be booked with the Livestock Office. Under HSE rules, no Livestock exhibitor can remove the loading ramps without an ACM Rural Events designated staff member. All stock being unloaded on any loading ramps must be of suitable temperament for display.

STALLS

Stalls are available for all Livestock competitors and their animals. Stalls are allocated on receipt of entry. Call into the Livestock Office upon arrival to receive your allocated free stall which includes sawdust. Livestock Competitors are responsible for keeping the stall area allotted in a clean and presentable condition throughout the competitions. The stall is to be cleaned regularly with refuse deposited in the manure pits provided. General purpose rubbish must not be deposited in manure pits. To assist in the transfer of manure to the pits provided, please bring own equipment.

NLIS

All competitors are responsible for supplying a NVD/Waybill to the FarmFest NLIS contractor. All competitors must provide the FarmFest NLIS contractor the Property Identification Code (PIC) of where the livestock have come from.

NLIS SCANNING

The NLIS contractor will be scanning on 5 June 2023 between 2pm to 5pm only. All livestock exhibited on the site must be

identified with the National Livestock Identification System (NLIS) device prior to leaving place of origin.

LIVESTOCK MOVEMENT

All competitors are reminded when moving stock over the age of 12 months on the site, a nose-ring or nose clip must be fitted to the animal.

FARMFEST PIC

FarmFest Property Identification Code (PIC): **QJJD2003**

PRIZES

Prize money for Livestock competitions to be collected from **1pm on Tuesday 6 June, 2023** from the Livestock Office upon presentation of a signed prize card.

Other Livestock prizes can be collected from the FarmFest Livestock Office prior to 4pm Thursday 8 June 2023 upon receipt of a signed prize card. **Prizes not collected by 4pm Thursday 8 June 2023 will be forfeited.**

SAFETY

ACCIDENTS

- Report all accidents, incidents and hazards to the Livestock Office or if closed - directly to the FarmFest Headquarters on B/19.
- The first aid facilities are on site B/20. If you are in need of first aid please report to the Livestock Office.

COVID SAFE

- **You must take action to protect all Livestock competitors and others at the Livestock Area from the risk of exposure to COVID so far as reasonably practicable.**
- **Wellbeing and health - if unwell please do not attend competition**
- **Physical distancing - Support 1.5m physical distancing and avoid congestion of people in specific areas, where possible**
- **Hygiene and cleaning - Adopt good hand hygiene practices. Use hand sanitiser as located in the Livestock Area, and wash your hands. Clean frequently touched areas and surfaces**
- **Record keeping - ensure you register your attendance at the FarmFest field days daily using the Check In QLD app, QR sign located at the Livestock Office or as provided, once a confirmed Livestock Competition entrant**

CODE OF BEHAVIOUR

- The competitor is responsible for the good conduct of their staff, students, contractors present at the Livestock Area and FarmFest field day site.
- At all times, ACM Rural Events, its event staff and

security reserve the right to request any person on site to leave the event if they feel there is a threat to the safety or smooth conduct of the event.

DOGS

- No dogs. With the exception of guide dogs for the vision impaired, service dogs for medical or disability requirements and working dogs involved in official demonstrations, no dogs are permitted on-site.

ELECTRICAL

- All power leads, electrical appliances and equipment brought onto the site must be tested and tagged in accordance with Australian Standards AS 3760. If no tag is evident, it will be a requirement of the owner to have such equipment tested and tagged by the authorised FarmFest Electrical Contractor at their own expense. To organise, check with the Livestock Office. No double adaptors are permitted to be used on site.

HEALTH AND SAFETY RULES

- Work, Health and Safety (WHS) legislation requires the competitor to work with the organisers, ACM Rural Events, to identify potential hazards and to assess the risks involved to anyone present on the Livestock Area site including workers and visitors.
- Competitors must exercise extreme caution in

SAFETY

supervision of staff, students, contractors and their agents.

- It is important for competitors to consider their stall neighbours and other competitors to ensure issues such as noise etc do not disrupt others.
- Conduct a safety check of the stall area before and at the end of Competition times.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

- Remember to apply correct Personal Protective Equipment for the job task.

SIGNAGE

- Obey all safety signs and instruction from ACM Rural Events and their staff on-site.

VEHICLES ON-SITE

- No keys are permitted to be left in unattended vehicles on-site.
- No vehicular movement is permitted during public event opening times on or around the Livestock Area.
- To ensure safety and compliance, all livestock exhibitors and competitors will be required to have a stock handler

spotter working with them at all times during the unloading and on-loading of livestock on to trucks from the loading bay.

- Following unloading, all motor vehicles, trucks, goose necks must be located in the Livestock Area car park - no vehicles are permitted to be parked in the Livestock Area.

WATER

- Open water troughs and water tanks can pose a serious risk especially with children. In accordance with the Work Health and Safety Act 2011, it is recognised water safety on site is paramount. If you have a requirement to supply your own water for stock, control measures are required to be implemented. The water trough/vessel is to be safety checked daily. Seal water tanks if they contain water so children can't get in. The water trough/vessel is to carry no more than 400 litres with a grate inserted. Ensure warning signage is installed on all equipment — Children to be accompanied by an adult, no climbing.

WEIGHING

Weighing will commence on Monday 5 June 2023 from 1pm to 5pm only. To be eligible to enter the FarmFest Livestock competitions, please ensure your cattle are available to be weighed during this time slot - and be included in the printed competitions catalogue.
